**Disclaimer:** The course is being presented by Lively Technical Center; using materials supplied by the Motorcycle Safety Foundation and the Florida Rider Training Program as a public service. This does not imply any endorsement by MSF or any sponsors, supporting organizations, equipment, motorcycles, or any other materials involved in the presentation of the Basic Rider course. Our aim is to expose you to ways to ride more safely. While we cannot and will not assume responsibility for the safe operations of your motorcycle, it is our hope that by presenting responsible viewpoints on safety we will expose riders and the public to proper and prudent motorcycle operation. We are here to assist your learning. We cannot guarantee it or put it to use.

**Course Objective:** Develop a safe responsible motorcyclist

Develop the mental skills for safe motorcycling

Develop the physical skills for safe motorcycling

Create an understanding of risk awareness

Develop a strategy to manage risk

**Note:** This course is of great value to beginners and experienced riders alike and required to obtain your Motorcycle Endorsement on your Driver's License. Motorcycling may not be for everyone. Instructors reserve the right to dismiss a student if the course objectives are not being met.
